The City of Oelwein has moved the bid submittal for the Single Hauler RFP to January 4, 2023 at 11:30 AM. The Bid opening will follow at 11:35 AM.

The city wants to take time to clarify the bid bond. The bid bond will need to be in an amount of \$34,148.42. This bond will be required with each bid. The city will then negotiate a performance bond with the hauler after council has selected a hauler.
